

BALLET AUSTIN @ THE J

Outdoor Classes Important Information

For the safety of all students and parents on the JCC campus, each student(s) will be accompanied by only ONE parent or guardian. Adults, siblings, or friends not enrolled in the current class taking place are not permitted on campus.

Individuals will be expected to socially distance themselves from other attendees, not within their household.

Staff, parents, and students ages 3 and older will be required to wear a mask while on campus.

There will be limited access to campus buildings. We encourage all students and their parents to plan accordingly and use the restroom before leaving their homes.

Arriving On Campus

Upon entrance at the front gate, you will be greeted by the Security Guard. From there, proceed forward, staying to your right. This will take you around to the back parking lots. A Ballet Austin staff member will meet you at the parking area, and after a health screening, a Ballet Austin staff member will show you the way to the Pavilion.

What To Bring To Class

- Come dressed in play clothes and sneakers, or apparel that is appropriate for movement outdoors.
- We do not expect students to wear the Ballet Austin Uniform.
- Bring a yoga mat, towel, or blanket that can be used on the dirt area to designate your student's dance space.
- Students will set up their mat/blanket 6-feet apart to maintain social distance protocols.
- Water bottle.
