STAGE DIMENSIONS

- ◆ Standard Stage Depth..... 27' 0"
- ◆ Standard Stage Width..... 40' 0"
- ◆ Stage Height..... 16' 0"
- ◆ Wing Space..... Variable
- ◆ Grid Height.....

STAGE FLOOR

The stage floor is a **Seamless Cascade Dance Floor** with a **Basket-weave sub-floor**. Due to the delicate nature of this type of dance floor, Ballet Austin has strict policies on the types of activities and foot wear that are permissible. The only type of foot wear that is permitted on the Cascade dance floor is as follows: ballet slippers, Pointe shoes, or bare feet.

Ballet Austin can lay an additional *Harlequin* Reversible Black/ Gray Dance Floor (over the Cascade floor) at an additional rental and installation fee. No spiked heel or tap shoes permitted.

BUILDING ACCESS

Roll-up Door..... Opening is 10' high by 8'3" wide

Location.....South West corner of building

Trucks.....24' trucks or smaller

Dock Height.....3' 3"

Drive way and loading dock are for loading and unloading only. Parking is not available at the theatre for large vehicles. Arrangements must be made for all bus or truck parking. Permits for bus or truck street parking can be arranged for through the City of Austin.

There is no personnel access at anytime through any exterior back doors of the building during rehearsals or performances. If Licensee requires stage door or back door access, Ballet Austin's security personnel must be present. Said personnel will be charged to the Lessee at \$12 per hour.

DRESSING ROOMS

Men's and women's dressing rooms with showers and restrooms are located directly behind the studio theatre at stage level. Each dressing room can accommodate up to 12 people.

PHONE LINES

There are no dedicated phone or fax lines in the dressing rooms or backstage areas.

OTHER AMMENITIES

A washer, dryer, refrigerator and microwave are available for but not exclusive to client use. These amenities are included in the rental rate.
