

TEACHER PROFESSIONAL DEVELOPMENT

Ballet Austin offers professional development for public school dance educators in Central Texas throughout the year, and is a Texas Education Agency (TEA) approved provider of Continuing Professional Education (CPE) certification. Topics include:

Studio Spotlight

Learn about the upcoming production and see Ballet Austin professional company dancers rehearsing in the studio before the show opens. For more information, see the alphabetical listing of community education programs that follows.

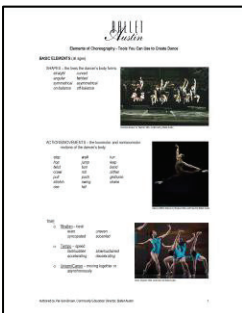

Master and Technique Classes

Learn for your own growth, or train to teach in any of the broad range of dance and fitness styles offered through Ballet Austin's Butler Community School (ballet, modern, jazz, tap, hip-hop, Broadway, hula, yoga, Pilates mat).

Dance History

A free PowerPoint presentation with notes and prepared handout on the history of ballet from court dancing through the contemporary styles of today. Curriculum developed for all levels.

The Choreographer's Toolkit

A free PowerPoint presentation and prepared handout on the elements of choreography and how to apply them to dance. Curriculum developed for intermediate and advanced level dance classes.

The Audience Member's Toolkit

A free online multi-media interactive to help teach your students different ways of understanding and appreciating dance.

*** Educators also receive a special discount – buy one season subscription and get one free! Some restrictions apply – please contact the box office at 512.476.2163 and ask for Sandra.**
