**ABOUT THE BUTLER COMMUNITY SCHOOL**

The vibrant and active Butler Dance Education Center and Community School, which opened in 2007, was conceived as a hub for movement where people of any age or skill level are encouraged to pursue a life of health and fitness. In addition to the professional company, the Ballet Austin Academy and administrative/artistic activities, Butler Community School (BCS) classes are offered seven days a week with dance styles ranging from ballet and contemporary jazz to hip hop and theatre dance, a full-service award-winning Pilates Center, dance fitness, and more. In September 2010, an eighth studio was completed, bringing the Butler Dance Education Center to 36,000 square feet. This professional level studio is now the third largest studio in the Ballet Austin facility.
